8 week seminar

Starting April 30

Islam is a comprehensive way of life that originates with the principles of faith, Aqeedah. Principles of Faith are the matters that are known from the Quran and authentic ahaadeeth which a Muslim must believe in his heart as the truth of Allah and His Messenger.

Allah says: "The Messenger believes in what has been sent down to him from his Lord, and (so do) the believers. Each one believes in Allah, His Angels, His Books and His Messengers. They say, 'We make no distinction between one and another of His

Messengers' – and they say, 'We hear, and we obey. (We seek) Your forgiveness, our Lord, and to You is the return (of all).'" [al-Baqarah 2:285]

During these lectures, we will introduce you to some of the topics and issues related to Fundamentals of Faith and give the most important terminologies, concepts and issues that a Muslim needs for his day-to-day journey to Allah from cradle to the grave. In addition, we will also discuss deen, fitrah, tawheed, tawwakul and other terms of importance in the Quran and Sunnah.
